Sir:

As required by Section 12(2) of the Recreation, Parks and Wildlife Foundation Act, I submit herewith the Eighth Annual Report of the Foundation covering the period from April 1, 1984 to March 31, 1985.

This report is required to be laid before the Legislative Assembly as provided for under Section 12(3) of the Act.

Respectfully submitted,

J. Sherrold Moore
Chairman

EIGHTH ANNUAL REPORT OF
THE RECREATION, PARKS AND WILDLIFE FOUNDATION

The Foundation was established by Chapter 49 of the Statutes of Alberta, 1976, with the objective, as set out in Section 3 of the Act, of providing the opportunity to interested persons, corporations and organizations to donate or bequest real or personal property to be used for:

(a) the development or maintenance of recreational programs, facilities and services;

(b) the development or maintenance of parks;

(c) the management, conservation or preservation of fish and wildlife.

The Foundation is an agent of the Crown in the right of Alberta and thus gifts to the Foundation qualify for the maximum benefit under Paragraph 110 (1) (b) of the Income Tax Act (Canada).

The other main objective of the Foundation is to provide grants to any individual, organization or educational institution for creative, innovative and unique projects or activities which will complement, rather than duplicate existing programs and services in Recreation, Parks and Wildlife in the Province.

Membership consists of not more than 12 persons appointed by the Lieutenant Governor in Council. As at March 31, 1984 the following persons were members of the Foundation.

Sherrold Moore, Calgary (Chairman)
Dave Gould, Banff
Glen Semenchuk, Edmonton
Maury Van Vliet, Jr., Spruce Grove
Julian Nowicki, Edmonton

Bob Stewart, Stettler
Hugh Gillard, Okotoks
Ralph Pinder, Redcliff
John E. Thorpe, Calgary
Gerry Howis, Manning
Christina Jones, McLennan
James Todd, Red Deer

The Foundation received a total of 436 grant applications valued at 14.9 million for the period of April 1, 1984 to March 31, 1985 (Appendix A).

The bank balance of the Foundation at the beginning of the year amounted to $663,596.00. During the year the Foundation received $3,639,136.00 as a recipient of a share of the net profits of the Western Canada Lottery Foundation (Alberta Division), $54,777.00 in private and corporate donations and earned $324,706.00 in interest for a total revenue of $4,298,990.00 including a grant from the Province of Alberta Department of Recreation and Parks. Expenditures for the year totalled $1,960,970.00, including 289 grants awarded to projects within the province amounting to $1,652,617.00 (Appendix B) and $39,340.00 for film productions. The total of unexpended funds at the end of the year was $3,001,616.00. This total was unusually high due to the Foundation's recently attained responsibility to provide enrichment funding to 33 Provincial Recreation Associations on an annual basis beginning April 1, 1985. The funding is provided to enhance the base level program funding already being received by the Associations from the Department of Recreation and Parks. In anticipation of an allocation of $1,200,000.00 required in April, 1985 to fulfill this new responsibility, measures were taken to ensure that adequate funds were available at March 31, 1985.

Under Section 2 of the Recreation, Parks and Wildlife Foundation Act, the Auditor General is the auditor of the Foundation. The Auditor General examined the Balance Sheet of the Foundation as at March 31, 1985 and the Statement of Revenue, Expenditure and Unexpended Funds for the period ending on that date and has given a report to the members of the Foundation stating that in his opinion "these financial statements present fairly the financial position of the Foundation as at March 31, 1985, and the results of its operations for the period then ended in accordance with generally accepted accounting principles."

A copy of the Balance Sheet and of the Statement of Revenue, Expenditure and Unexpended Funds for the period from April 1, 1984 to March 31, 1985 appear as Statements A and B attached to this report.

ALBERTA LEGISLATURE

OFFICE OF THE AUDITOR GENERAL

AUDITOR'S REPORT

To the Members of The Recreation, Parks
and Wildlife Foundation

I have examined the balance sheet of The Recreation, Parks and Wildlife Foundation as at March 31, 1985 and the statement of revenue, expenditure and unexpended funds for the year then ended. My examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as I considered necessary in the circumstances, except as explained in the following paragraph.

In common with other organizations which receive donations, such revenue could not be completely verified by audit procedures and my examination of this revenue was confined to those amounts received by the Foundation.

In my opinion, except for the effect of adjustments, if any, had donations been susceptible to complete audit verification, these financial statements present fairly the financial position of the Foundation as at March 31, 1985 and the results of its operations for the year then ended in accordance with the disclosed basis of accounting, considered appropriate in the circumstances, as described in Note 2 to the financial statements applied, except for the change in the method of accounting for fixed assets and depreciation as explained in Note 3 to the financial statements, on a basis consistent with that of the preceding year.
